

NEW HOPE LIFE SCAN
BREA, CALIFORNIA

Plan your visit

Scan prices and practical questions for your first call

Listed scan prices

Single-region CT - \$450

One body region, including 3D reconstruction.

Thermography (DITI)

\$250 regional / \$395 full body. Records temperature patterns on the skin surface.

Trauma Screen - \$650

Listed coverage: head, neck and upper back. Call to confirm the examination and order requirements. This is not an emergency service.

Total Clarity - \$1,250

Full-body DITI, chest and lung CT, coronary calcium score, visceral fat analysis and a radiologist report.

Understanding the methods

CT uses X-rays to show structures inside the body and involves ionizing radiation.

Thermography is an adjunct to clinical assessment. It does not diagnose a condition on its own or replace mammography.

"Full body" refers to thermography, not full-body CT or MRI. In Total Clarity, the CT examination is of the chest and lungs.

Before booking, ask

01 Examination

Is this the examination recommended for me, and is a referral or order required? Confirm the body region, inclusions and eligibility.

02 Preparation

What preparation and arrival instructions apply, and what should I bring? Ask about parking, the entrance or access needs.

03 Cost

What is included in the total cost, and how does payment work? Confirm the examination components and availability.

04 Results

How will I receive my report and images, when should I expect them, and who will review the findings with me?

Confirm your appointment date and time with the clinic. Follow the instructions for your specific examination.

For existing reports or images, call to ask about the records process and identity or authorization steps. Ask for the appropriate way to share medical records; do not send them through general website or email contact.

Listed hours: Monday-Friday, 8 AM-6 PM. Call to confirm hours before you travel.

For a medical emergency, call 911 or go to the nearest emergency department. This sheet is not an appointment confirmation or examination-specific preparation instructions.

(681) 206-9434

2812 E. Imperial Hwy, Brea, CA 92821

Call to confirm availability before planning a visit.
